1.1	22 Jan 2025	Growth Strategy Team	Compliance Head	KPI revisions
2.0	10 Feb 2025	Strategy Division	Executive Committee	Board submission version

1. Executive Summary

This report outlines the comprehensive strategy, operational execution plan, risk governance framework, market intelligence findings, and performance KPIs for the 2025 Digital Fraud Prevention Program. The initiative focuses on proactively educating high-risk customer segments, strengthening fraud detection awareness, and mitigating reputational and regulatory exposure.

2. Campaign Strategy Notes

2.1 Strategic Objectives

- Increase fraud alert activation from 26% to 40% by Q3 2025.
- Reduce negative social sentiment related to fraud handling by 25%.
- Improve 30-day app retention by 7%.
- Enhance regulatory compliance adherence score to 98%.

2.2 KPI Architecture

KPI	Baseline (Q4 2024)	Target (Q3 2025)	Owner
Fraud Alert Adoption	26%	40%	Growth Head
Monthly Active Users	1.2M	1.35M	Product Team
Complaint Escalation Rate	1.9%	<1.2%	Operations
Negative Sentiment Index	0.44%	<0.30%	Risk Intelligence

3. Reddit Analysis Report

Subreddit	Monthly Mentions	Negative %	Risk Level
r/IndiaInvestments	1,560	39%	Medium
r/PersonalFinanceIndia	1,280	54%	High
r/StartUpIndia	740	28%	Low

Key Insight: Community-native educational posts achieved 22% higher engagement compared to promotional posts.

4. Risk Assessment Matrix

Risk Category	Likelihood	Impact	Mitigation	Residual Risk
Regulatory Misstatement	Medium	High	Pre-approval by Legal	Low
Reputational Escalation	High	High	4-hour SLA monitoring	Medium
Operational Overload	Medium	Medium	Capacity planning buffer	Low
Data Privacy Breach	Low	High	PII masking & audit logs	Low

5. Market Research Findings

Indicator	Urban %	Tier-2 %	Insight
Daily UPI Usage	82%	67%	High exposure to fraud risk
Experienced Scam Attempt	53%	48%	Education gap exists
Aware of Credit Freeze	44%	31%	Growth opportunity
Trust in Banks	46%	39%	Transparency improvement required

6. Historical Learnings (2022–2024)

- Fear-based messaging increased backlash by 18%.
- Education-first sequencing improved adoption by 14%.
- Festive season campaigns require enhanced moderation.
- Delayed compliance review caused average 12-day rollout delays.

7. Execution Framework

Phase	Duration	Objective	Governance Checkpoint
Phase 1	Weeks 1–2	Intelligence Gathering	Risk review
Phase 2	Weeks 3–4	Educational Campaign Launch	Compliance audit
Phase 3	Weeks 5–6	Community Engagement & AMA	Escalation SLA
Phase 4	Week 7	Performance Audit & Reporting	Executive summary

8. Enterprise Best Practices

- All financial claims must undergo legal validation.
- Escalation response time must not exceed 4 hours.
- Maintain full audit logs for regulatory inspection.
- Retain documentation for minimum of 3 years.
- Conduct quarterly compliance audits.
